

## **DEFINITIONS**

**(As per the Real Estate (Regulation & Development) Act, 2016)**

**“ALLOTTE”** in relation to a real estate project, means the person to whom a plot, apartment or building, as the case may be, has been allotted, sold (whether as freehold or leasehold) or otherwise transferred by the promoter, and includes the person who subsequently acquires the said allotment through sale, transfer or otherwise but does not include a person to whom such plot, apartment or building, as the case may be, is given on rent.

**"Carpet area"** means the net usable floor area of an apartment, excluding the area covered by the external walls, areas under services shafts, exclusive balcony or verandah area and exclusive open terrace area, but includes the area covered by the internal partition walls of the apartment.

Explanation.— For the purpose of this clause, the expression "exclusive balcony or verandah area" means the area of the balcony or verandah, as the case may be, which is appurtenant to the net usable floor area of an apartment, meant for the exclusive use of the allottee; and "exclusive open terrace area" means the area of open terrace which is appurtenant to the net usable floor area of an apartment, meant for the exclusive use of the allottee;

**“Common Area”** (i) the entire land for the real estate project or where the project is developed in phases and registration under this Act is sought for a phase, the entire land for that phase;

(ii) the stair cases, lifts, staircase and lift lobbies, fire escapes, and common entrances and exits of buildings;

(iii) the common basements, terraces, parks, play areas, open parking areas and common storage spaces;

(iv) the premises for the lodging of persons employed for the management of the property including accommodation for watch and ward staffs or for the lodging of community service personnel;

(v) installations of central services such as electricity, gas, water and sanitation, air-conditioning and incinerating, system for water conservation and renewable energy;

(vi) the water tanks, sumps, motors, fans, compressors, ducts and all apparatus connected with installations for common use;

(vii) all community and commercial facilities as provided in the real estate project;

(viii) all other portion of the project necessary or convenient for its maintenance, safety, etc., and in common use;

**“External Development works”** includes roads and road systems landscaping, water supply, sewerage and drainage systems, electricity supply transformer, sub-station, solid waste management and disposal or any other work which may have to be executed in the periphery of, or outside, a project for its benefit, as may be provided under the local laws;

**“Internal development works”** means roads, footpaths, water supply, sewers, drains, parks, tree planting, street lighting, provision for community buildings and for treatment and disposal of sewage and sullage water, solid waste management and disposal, water conservation, energy management, fire protection and fire safety requirements, social infrastructure such as educational health and other public amenities or any other work in a project for its benefit, as per sanctioned plans.
